THEN AND NOW.

A month or two ago the president had a controversy with Senators Farwell and pointment of a revenue agent in the good man among the republican spendone person and Gen. Harrison appointing orship in the Indianapolis district, in which precisely the same attitude was laborated for the decapitation called for the decapitation of employes of a body controlled by democrats.

Hogs-Receipts, 17,000; steady, closing lower on heavy; mixed, \$4.30@4.60; heavy, \$4.30@4.60; h taken by the senator as was assumed by the two Illinoisans in the case then reply was characteristic: "A man looks a requisition from the governor of Misunder consideration. Gen. Harrison's at things differently when he is presi-tion of the criminal code of that state, dent than he does when he is senator."

policy by senator and president has been called to mind by the removal of officers without reason being assigned. When at that. Grover Cleveland was president and Ben Harrison was senator the former made a which he refused to assign any cause tools upon the tiny handle of a district Senator Harrison, in his place in the senate, denounced the then president as in. A burglar who trifles with electrical a moral coward and his action as "a star-chamber proceeding." He said:

"I do lift up a hearty prayer that we may never have a president who will not pursue, and compel his cabinet advisers to pursue, the civil service policy pure and simple and upon a just basis, allowing men THE item of mileage for members of the constitutional convention is a large accused to be heard and deciding against them only upon competent proof and fair-ly. Either have that kind or civil service one. In Washington the report of the committee on mileage shows 31,344 for God's sake, let us have that other | miles traveled, which at 15 cents a mile frank and bold, if brutal, method of turn ing men and women out simply for politi makes the total of \$4,701.50. In Montana cal opinion. Let us have one or the other.

Nor hell a fury like an Alger scorned."

the sum will be greater. This was, it should be remembered NASR-ED-DEEN, shah of Persia, is bowwhen Harrison was the censor and Cleveland the object of his criticism. It legged, which accounts for his visit to would be a cheerful sight to witness in the occidental countries at this time, the president of to-day an observance of when wide pantaloons are fashionable. the high principle he enunciated then. Ayer's Hair Vigor has long held the first It is not to be, however, for he and his

cabinet go on removing officials for no place as a hair dressing in the estimation other reason than that they are demo- of the public. Ladies find that this prep crats-"that other frank and bold, if aration gives a beautiful gloss to the hair, brutal, method of turning men and and gentlemen use it to prevent baldness and cure humors in the scalp. women out simply for political opinion.' If this other policy were openly avowed Some Timely Advice. the administration would be exempt

Let us give the readers of the INDEfrom the accusation of hypocricy which PENDENT a little timely advice. Hot otherwise will hold against it, but on weather is coming and with it colic, cholera the contrary the president and his cabinet profess to be observing the civil service rules while practicing the spoils policy in all its forms, and in at least and successful medicine known for these and successful medicine known for the contraction of the contraction of the successful medicine known for the contraction of the successful medicine known for the contraction of the contrac one instance when a person removed from office asked to be informed of the source of certain undefined accusations alleged to have been made against him as a collected when the source of certain undefined accusations alleged to have been made against him as a collected when the source of certain undefined accusations alleged to have been made against him as a collected when the source of certain undefined accusations are sometiment.
